

Trek Part

Trek Part - TREK Cleaning Machines is a maker of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than sixty years of experience successfully marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to offering new design concepts and top quality to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like offering products that energize both their dealers and their partners and offer production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and requirements together with their understanding of cleaning applications, together with owners' strong desire to considerably reduce expense through productivity gains.

When required, the employees within TREK and its various dealer members in both technical support and parts would be available. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery functioning and ready daily is top priority. The company's top of the line technology delivers reliable equipment that ultimately reduces your cost of cleaning. The service, the product and the price all work as one to be able to make them the leader in the trade.
